For all NEW AVPA Art Students: Portfolio reviews and interviews as scheduled with Creative Director. Please note: the times/dates scheduled for interviews will need to be arranged after school hours and upon availability.

Please bring to the interview a portfolio of work including 5-10 art pieces of your choice. Your artwork should reflect your interests in visual art. You can include a sketchbook, too.

For all RETURNING AVPA Art Students: Portfolio reviews and interviews as scheduled with Creative Director. You must bring a portfolio of all completed artwork from CCHS ONLY including a sketchbook. Please be prepared to answer questions regarding your participation with fundraisers, specialized programs, activities, competitions, outside classes in art, workshops including the semester college classes. You will be assigned a date/time and notified via email during the Spring semester. Because of the large number of returning students, special requests cannot be accommodated. All interviews are mandatory if you are interested in AVPA for the 2017-18 school year. If you have further questions, please contact Kristine Hatanaka at kristinehatanaka@ccusd.org, Room 1.

MUSIC

Returning and New students in Instrumental Music: prepare a short excerpt of music that best demonstrates your technical and musical abilities (from a solo, etude, ensemble piece, etc.). You will be asked to perform major and minor scales – please be prepared to play requested scales from memory if possible. There will also be sight-reading. Interview will take place along with the music audition. Sign up at Orientation or at Room 94.

Returning and New students in Vocal Music:

1. **Vocal Auditions:** All vocalists wishing to audition for AVPA Music Department must attend the general audition scheduled for Sept. 5. **Please note:** this is for all AVPA students who wish to become a member of the music company (**major or minor**) and for featured vocalist positions with all ensembles. Please prepare a short excerpt (32 bars preferred) of a standard musical theatre or classical work. You will perform this at 4:30pm, after the general audition for Chamber Singers.
2. **Chamber Singers auditions are Tuesday, September 5, 3:15-4:15 pm, in room 94.** Do not prepare any music. Warm ups and an excerpt will be taught to those auditioning. This audition is for all singers interested in joining Chamber Singers, separate from the vocal audition. This audition is for a full-year's commitment, including participation in various community performances along with major AVPA music concerts.

Interviews for vocal majors may be scheduled separately from the performance audition.

NOTE: ALL NEW MUSIC students will be required to complete a **written music theory evaluation** (after company meeting on Sept 11).
